

# Box Full of Letters

## Wilco

Got a box full of letters  
Think you might like to read  
Some things that you might like to see  
But they're all addressed to me  
Wish I had a lotta answers  
'Cause that's the way it should be  
For all these questions  
Being directed at me  
I just can't find the time  
To write my mind the way I want it to read  
You'll come back again  
And I'll still be your friend  
I got a lot of your records  
In a separate stack  
Some things that I might like to hear  
But I guess I'll give 'em back  
I wish I had a lotta answers  
'Cause that's the way it should be  
All these questions  
Being directed at me  
Just can't find the time  
To write my mind the way I want it to read  
You'll come back again  
And I'll still be your friend  
I can't find the time  
To write my mind the way I want it to read  
Just can't find the time  
To write my mind the way I want it to read
