

She Don't Love Me Now

Jesse Malin

I met my baby at a bar
Somewhere on Ohio
I guess I went a bit too far
Now I'm in denialOh, she don't love me now
She don't love me nowI know we had so many nights
Down there in the Village
Dressed up like each other's dreams
We were kind of killersOh, she don't love me now
She don't love me nowOh, you don't love me like you say you do
Oh, you don't love me when you say you doWell the nights are so long
I've got nowhere to go
Sick of the bars
And I'm sick of the showsDoing my best
And I did what I could
Still got a few friends
In the neighborhoodBut oh, she don't love me now
She don't love me now
Oh, she don't love me now
She don't love me nowOh, you don't love me like you say you would
Oh, I would love you only if I could
Oh, you don't love me when you sayOh, all I got is lost, hanging on the cross
All I got and all I want and all I got isOh, she don't love me now
She don't love me now
Oh, she don't love me now
She don't love me now
