Nekrofelia (Org. Organ & Bell Version)

Nekromantix

My sweet baby, she past away
I can't forget the things she used to say
It's the only thing for me to do
I have to leave, but I'll sure miss you
Baby baby, she wrote to me -For mine you'll forever be
My Nekrofelia
(My Nekrofelia)
(My Nekrofelia)
We used to play this innocent game
At the graveyard we often came
Naked in the night all alone
Lying in the grass, beside the tombstone
Baby baby, she wrote to me...
[Solo]
My Nekrofelia...
A wicked world of any kind
Yet the only thing on her mind
Was a deathwish I couldn't understand
Why she took off to Never Neverland
Baby baby...
