

Glad and Sorry

Golden Smog

Thank you kindly
For thinking of me
If I'm not smiling
I'm just thinkingGlad and sorry
Happy or sad
All is done and spoken
You're up or I'm downCan you show me a dream?
Can you show me one that's better than life?
Can you stand it in the cold light of day?
Well, neither can ICan you show me a dream?
Can you show me one that's better than life?
Can you stand it in the cold light of day?
Well, neither can I
