Blessed

Mint Condition

Blessed
(Verse 1)
I don?t like the way that it?s going The world is shaking
The volume?s going up everyday Ears are ringing..
Can?t keep up this rapid pace, for much longer
Life so crazy when I look up, snowing in summer
(Bridge)
So easy for me to forget, how I keep it all together, Keep it all together
And there?s so much going on, in the world, I just gotta remember, I just gotta remember
[Chorus]So blessed, yeah, uh, blessed to have you right here by my side
Next to me when life cuts like a knife
Sometimes I complain, it?s when I have to say and It might be a clich
