

# Believe

## Orianthi

You made it so easy to fall  
I had no fear at all  
I saw you beside me  
You never saw me there at all I promised you all this  
I made plans thinking this was it  
I never imagined I'd find you and lose myself instead  
I just never pictured it would end And I, I wanna believe in love  
I wanna believe in something bigger than the two of us (the two of us)  
And I, I wanna breathe again  
I wanna go back to the days, the days I had my innocence  
I wanna believe again I picked up the pieces  
And put them back where they belonged  
But something's missing  
But a part of me will carry on  
But I'm gonna learn to trust again And I, I wanna believe in love  
I wanna believe in something bigger than the two of us (the two of us)  
And I, I wanna breathe again  
I wanna go back to the days, the days I had my innocence  
I wanna believe again And I, I wanna believe in love  
I wanna believe in something bigger than the two of us  
And I, I wanna breathe again  
I wanna go back to the days, the days I had my innocence  
I wanna believe again  
I wanna believe again  
I wanna believe again
