## Jets Overhead

Feel alone  
All I do is say  
I alone can be your kindThis is not the same  
I am not the same  
I can feel you come in two and three  
This is not the same  
I am not the same  
When I feel awakeClose your eyes  
Everything I've seen  
I this time can be your mindThis is not the same  
I am not the same  
I can feel you come in two and three  
This is not the same  
I am not the same  
Then I feel awakeLet God cry  
Then I'll wash it away  
Let God cry  
Then I'll wash it awayDry your eyes  
Everything must change  
I this time can be your lifeThis is not the same  
I am not the same  
I can feel you come in two and three  
This is not the same  
I am not the same  
Then I feel awakeLet God cry  
Then I'll wash it away  
Let God cry  
Then I'll wash it awayThis is not the same  
I am not the same  
I can feel you come in two and three  
This is not the same  
I am not the same  
I can feel it come back home  
So homePlease  
Let  
My  
My sonThis is not the same  
I am not the same  
I can feel you come in two and three

This is not the same  
I am not the same  
Then I feel awakeThis is not the same  
I am not the same  
I can feel you come in two and three  
This is not the same  
I am not the same  
This is not the same  
I am not the sameLet God cry  
Then I'll wash it away  
Let God cry  
Then I'll wash it awayThis is not the same  
I am not the same  
I can feel you come in two and three  
This is not the same  
I am not the same  
I can feel it come back home  
So home
