

Let the Music Play (Funkstar's Club Deluxe edit)

Barry White

One ticket, please
Lord have mercy, everybody's there
Hey, what's goin' on man, yeah
She's at home, yeah, she's at home
Yeah, she's at home Let the music play
I just want to dance the night away
Here, right here, right here is where I'm gonna stay
All night long, ooh, ooh, ooh, ooh, ooh, wee Let the music play on
Just until I feel this misery is gone
Movin', kickin', groovin', keep the music strong
On and on and on and on and on and on and on
And on and on and on and on and on and on and on I'm out here dancin' and still, huh
I can't erase the things I feel
The tender love we used to share
See, it's like it's no longer there
I've got to hide what's killin' me inside Let the music play
I just want to dance the night away
Here, right here, right here is where I'm gonna stay
All night long, ooh, ooh, ooh, ooh Let the music play on
Just until I feel this misery is go
