How It Feels to Be Something On

Sunny Day Real Estate

If I break down all that I am
A field of wires, we'll see what it's worth to walk
To break the lines of alternate steel
If I turn around what matters the most in time
We're going nowhereDon't tell me now
The days I've had
To fill it up but spill instead
Talk to remind
Days, weeks and hoursAll in time will be, later on we'll try
Hollow peaks we've climbed
All those things I've seen
How it feels to be something on
That's how the days goIf I break down all that I am
A field of wires, we'll see what it's worth to walk
To break the lines of alternate steel
If I turn around what matters the most in time
We're going nowhereDon't tell me, God
The dreams I've had
To fill it up but spill instead
Talk to remind
Days, weeks and hoursAll in time will be, later on we'll try
All we gave to fly
Hollow peaks we've climbed
All these things I've been
How it feels to be something on
