Complete

Stephen Speaks

If i lay my voice down at Your feet would you still hear my song echoing i might end this game of hide and seek i am complete because in You i am complete oh in You all the sins of my past echoing all the voices i hear in my sleep oh but they, to stay off my knees and on my feet they can't complete Ohhhhhhhhhh..... cause in You i am complete Ohhhhhhhhhh..... Ohhhhhhhhhh..... I am complete [5x] Ohhhhhhhh..... If I lay my voice down at your feet [Thanks to hlucas@whoever.com for these lyrics]
