

She Cried (2010 Remastered Version)

Midge Ure

She cried
The tears that fell were from Asian ways
She cried
The tears that fell were from Asian ways
She promised to a stranger, arranger kisses
She, torn between her heart and the others' wishes
Try to please them, try to reason
She cried
The tears that fell were from Asian ways
She cried
The tears that fell were from Asian ways
She tries to understand what her father preaches
She wants to live the life that her new world teaches
Try to tell them what she felt then
She cried
The tears that fell were from Asian ways
She cried
The tears that fell were from Asian ways
Try to tell them what she felt then
She cried
The tears that fell were from Asian ways
She cried
The tears that fell were from Asian ways
She cried
The tears that fell were from Asian ways
She cried
The tears that fell were from Asian ways
She cried
The tears that fell were from Asian ways
