

Ends of the Earth

Brandon Ray

Ten thousand miles on ground of road
Hitchhiked my way through Mexico
Here I'm straight through twenty time zones
All alone Just to feel you breathe
Just to see you smile
Just to hold your hand
For a little while I go to the ends of the earth for you
To the moon and back like another noon
I got my own swatch around to go
It's like I'm holding the whole of the world You're the closest thing to heaven
Besides, unless I'm seven
And I won't stop till I've been to
The ends of the earth for you
Oh oh oh, oh oh oh
The ends of the earth for you I bottle up this town
Put it in your hands somehow
Till you're my home, you're home now
I kiss away the down Just to see your eyes
Feel your heartbeat dance
The feel is all I had to give
I give you frighten chance
Oh oh I go to the ends of the earth for you
To the moon and back like another noon
I got my own swatch around to go
It's like I'm holding the whole of the world
You're the closest thing to heaven
Besides, unless I'm seven
And I won't stop till I've been to
The ends of the earth for you Oh oh oh, oh oh oh
The ends of the earth for you
Oh oh oh, oh oh oh Just as soon I hear lies
Hear your laugh
I crossed oceans, valleys, mountains
Every how inches like that I go to the ends of the earth for you
To the moon and back like another noon
I got my own swatch around to go
It's like I'm holding the whole of the world You're the closest thing to heaven (to heaven)
Besides, unless I'm seven (seven)
And I won't stop till I've been to (been to)

The ends of the earth for you Oh oh oh, oh oh oh

The ends of the earth for you

Oh oh oh, oh oh oh

The ends of the earth for you

Oh oh oh, oh oh oh

The ends of the earth for you

Oh oh oh, oh oh oh
