

Pacify Her

Melanie Martinez

[Verse 1]

Tired, blue boy walks my way

Holding a girls hand

That basic bitch leaves finally

Now I can take her man[Pre-Chorus]

Someone told me stay away from things that aren't yours

But was he yours, if he wanted me so bad?[Chorus]

Pacify her

She's getting on my nerves

You don't love her

Stop lying with those words

Pacify her

She's getting on my nerves

You don't love her

Stop lying with those words[Verse 2]

I can't stand her whining

Where's her binky now?

And loving her seems tiring

So boy, just love me, down, down, down[Pre-Chorus]

Someone told me stay away from things that aren't yours

But was he yours, if he wanted me so bad?[Chorus]

Pacify her

She's getting on my nerves

You don't love her

Stop lying with those words

Pacify her

She's getting on my nerves

You don't love her

Stop lying with those words[Chorus]

Pacify her

She's getting on my nerves

You don't love her

Stop lying with those words

Pacify her

She's getting on my nerves

You don't love her

Stop lying with those words

Pacify her

She's getting on my nerves

You don't love her
Stop lying with those words
