Charmed Life

Leigh Nash

It's a charmed life, innocence wild
Crayola skies for a thousand miles
It's a good life in the happily ever after
Last page of the very last chapter
It's a story of a charmed lifeIt's a charmed life of explainable grace
Stumble and you fall right in to place
It's a child life, worry you can feel the laughter
Right from the typical chapter
That's the beauty of a charmed lifeWho needs to know, when it all comes
And where it all goes?
Who needs to know, just where
Fate will take you thereIt's a charmed life, innocence wild
Crayola skies for a thousand miles

It's a good life in the happily ever after

Last page of the very last chapter

It's a story of a charmed lifeLalalalalalalalal

LalalalalalalalalaWho needs to know, when it all comes

And where it all goes?

Who needs to know, just where
I know you'll be thereIt's a charmed life, innocence wild
Crayola skies for a thousand miles
It's a good life in the happily ever after
Last page of the very last chapter
It's a story of a charmed lifeLalalalalalalalalalalalal
It's the story of a charmed life
