

Sinners Are - Winners

X-Wild

There once was a man
Started playing this game
Good, bad and ugly
Results were the same, the same He cheated and lied
'Til he got to the top
Power-mad crazy
Didn't know where to stop, to stop He just piled his money mountain-high
He took everybody for a ride Wheeling and dealing
An' all dirty deeds
He ploughed through his rivals
Got fat on his greed, his greed The arrogant muther
Kicked dirt in the face
Sweetend his deals
Mixed with arsenic and lace, and lace He just piled his money mountain-high
He took everybody for a ride Sinners are winners
Never going down Ruin and want
Are just left in his wake
Riches and glory
All there for the take, the take
One law of the poor
The rest for the rich
There's no way to nail
This son of a bitch, this bitch And we all know who that is !? He just piled his money mountain-high
He took everybody for a ride Sinners are winners
Never going down
