

Your Own Kind Of Beautiful

Stooshe

You say they talk behind your back,
and now your confidence is gone,
never let them see you crack,
just crack a smile and carry on.
~ Everybody wants to cut you up,
so you fit into a little box,
ain't nobody's business but your own,
when you're trying to work with what you got, so let it go!

- Shut up! And don't keep putting yourself down, uh uh uh, uh uh uh uuh,
Stand up! And find your spotlight in the crowd, uh uh uuh,
you're a superstar, exactly how you are, you don't have to try so hard, oh,
Speak up! Remember you can have it all.
Just be your own kind of beautiful.
Why can't we appreciate,
individuality?
everyone feels as they can rate,
in magazine society.
~ You can follow, or you can lead,
which one would you rather be?
no one made it here by playing safe,
we're going down in history, so let it go!

- Shut up! And don't keep putting yourself down, uh uh uh, uh uh uh uuh,
Stand up! And find your spotlight in the crowd, uh uh uuh,
you're a superstar, exactly how you are, you don't have to try so hard, oh,
Speak up! Remember you can have it all.
Just be your own kind of beautiful.
Walk outside and it's a sunny day,
but in your eyes it's like a hurricane,
you gotta face it, never to run away,
let it rain, ye it say, let it rain...

- Shut up! And don't keep putting yourself down, uh uh uh, uh uh uh uuh,
Stand up! And find your spotlight in the crowd, uh uh uuh,
you're a superstar, exactly how you are, you don't have to try so hard, oh,
Speak up! Remember you can have it all.
Just be your own kind of beautiful.
Oh, just be your kind of beautiful, just be your own kind of beautiful,
ye, ye ye yeeeh ... (your own kind of beautiful).

- Your a superstar, exactly how you are, you don't have to try so hard, oh, (follow your heart)

Speak up! Remember you can have it all.
Just be your own kind of beautiful.
