

Take It Or Leave It

Jet

Yeah, take it or leave it, yeah
Yeah, did you get what you needed, yeah?
Come on, don't you know what you gotta do?
And yeah, take it or leave it, yeah You gotta roll with whatever you know
You gotta move if you don't know what to do
Here's the groove, yeah Yeah, take or leave it, yeah
Yeah, just lose it or keep it, yeah
Come on, I think I know what you've gotta do
Yeah, take it or leave it, yeah You gotta roll with whatever you know
You gotta move if you don't know what to do
Here's the groove, yeah
Yeah, take it or leave it, yeah
I said, I'll take or leave it, yeah
I said, I'll take or leave it, yeah
I said, just take it or leave it
