Big Sleeper

Eskobar

You don't have a clue, what someone like me could do
I don't have any proof, but I know I'm better than you
You seem to follow the rules, but remember, this isn't school
You've been looking for the truth, but the truth is not for youYou may not like it, I'm the big sleeper
Try to bring me, try to bring me down
You may not like it, I'm the big sleeper
Don't know what I, will becomeYou've seen what I can do, but if you think that's all you're a fool
Maybe you have it in you, and you're about to assemble your tools
I don't have a clue, but I'll believe you when I see the proof
You've been looking for the truth, but the truth is not yet for youYou may not like it, I'm the big sleeper...Oh, it lingers on
Oh, it lingers on
And on, and onYou may not like it, I'm the big sleeper...
