

# Babylon

## Real Life

Mmm Mmm Mmm Mmm  
I can't sleep any more  
And I've got nothing to say again  
I feel the red and the raw  
I must be on my way yeah I think I'm going on, to Babylon  
I think I'm going on, to Babylon I can't believe anymore  
And you've got nothing to say again  
I leave my love at your door  
I must be on my way yeah  
I think I'm going on, to Babylon  
I think I'm going on, to Babylon Who's that calling me, I must be gone  
Who's that calling me, I must be gone Mmm Mmm  
I think I'm going on, to Babylon  
I think I'm going on, to Babylon  
Who's that calling me, I must be gone  
To Babylon  
Who's that calling me, I must be gone  
To Babylon
