

# I Wish You Wouldn't Say That

## Talking Heads

I wish you wouldn't say that  
I thought I'd have to come right over  
I thought I made it clear enough  
I guess I'll have to make it clearer  
Say something to change my mind  
Bring me back the way I used to be  
If it takes forever that's all right  
Say the words that I've been trying to hear  
I wish you didn't tell her  
I thought I'd have to come right over  
I thought I'd have to make it clearer  
Now Jimmy's coming over  
There are places that I won't forget  
And I guess I'm never going back  
Guess it's information that I lack  
I've told lies without a hint or regret  
I wish you wouldn't say that  
I wish you wouldn't say that  
I wish you wouldn't say that  
I wish you wouldn't say that  
I wish you wouldn't say that
