James Kennedy

I'm the stray Dog in the alley
I'm the answer when you're alone
I'm the Vulture that you're hunting
I'm your Master, I'm your Slave And you can use me
And throw me away We are perfect
For tonight
Trapped in different lives
We keep each other alive
Forbidden fruit
I'm your dirty little secret
At the backdoor when you call
I'm a shadow, I'm a Ghost
I'll be your darkest fantasy And we break all the rules
All the rules but one We are perfect
For tonight
It's a special kind of love
That we can't speak of
Forbidden fruit
We break all the rules
We break all the rules
We break all the rules but one
We break all the rules
We break all the rules
We break all the rules but one
