When I Say Jump, You Say How High

I See Stars

Things felt so perfect
Was it worth it?
People talk and they talk I'm so sick of it
I've made a monster
Love gone wrong
I'll pay for the past and the things I've doneYou'll never let this go
You're still hooked on mistakes I've made
Just give it time
This feeling haunts my mind
Just give it some timeI'll scream
Look away
Close your eyes, Your voice changed reveals what's inside
Cold-Hearted
Tears that lie
Waste away four whole years of my lifeAnd you're gone into the past
I've don't all that I can
I'm gone, you're gone
I won't regret relieving myself of this feeling
Now begins the healing
And it's my time you were killing
I am reason you have changed
A harlot that makes this a broken clichÃ©
I'll fall if I give into you
You'll lie and you'll steal my identity's truthYou'll never let this go
You're still hooked on mistakes I've made
Just give it time
This feeling haunts my mind
Just give it some timeYou'll never let this go
You're still hooked on mistakes I've made
Just give it time
This feeling haunts my mindThe sooner you're off my mind the better
The sooner you're off my mind
The sooner you're off my mind
