

I Will Be There for You

[Jessica Andrews](#)

When I lost faith you believed in me
When I stumbled you were right there
For every act of love you've done
I owe you one There were hard times I know I survived
Just because you stayed by my side
With all I have, with all I am
I promise you all my life Whenever the road is too long
Whenever the wind is too strong
Wherever this journey may lead to
I will be there for you, I will be there for you Through sorrow on the darkest night
When there's heartache deep down inside
Just like a prayer you will be there
And I promise you all my life Whenever the road is too long
Whenever the wind is too strong
Wherever this journey may lead to
I will be there for you, I will be there Whenever the road is too long
Whenever the wind is too strong
Wherever this journey may lead to
I will be there for you, oh yes, I will be there for you
I'll always be there
