## **Love Hurts**

## **Incubus**

Tonight we drink to youth and holding fast to truth Don't wanna lose what I had as a boy My heart still has a beat but love is now a feat As common as a cold day in LASometimes when I'm alone I wonder Is there a spell that I am under Keeping me from seeing the real thing?Love hurts But sometimes it's a good hurt And it feels like I'm aliveLove sings When it transcends the bad things Have a heart and try me 'Cause without love I won't surviveI'm fettered and abused, stand naked and accused Should I surface this one man submarine? I only want the truth so tonight we drink to youth I'll never lose what I had as a boySometimes when I'm alone, I wonder Is there a spell that I am under Keeping me from seeing the real thing?Love hurts

> But sometimes it's a good hurt And it feels like I'm aliveLove sings

When it transcends the bad things

Have a heart and try me

'Cause without love I won't survive

Without love I won't surviveLove hurts

But sometimes it's a good hurt

And it feels like I'm aliveLove sings

When it transcends the bad things

Have a heart and try me

'Cause without love I won't surviveLove hurts

Love hurts

Without love I won't surviveLove hurts

Love hurts

Without love I won't survive
