

# My Name Is Prince

## Prince

I wanna be your lover  
I wanna be your lover  
I wanna be your lover

I wanna be your loverMy name is Prince and I am funky  
My name is Prince, the one and only  
I did not come to funk around

'Til I get your daughter I won't leave this townIn the beginning God made the sea  
But on the 7th day he made me  
He was tryin' to rest y'all  
When He heard the sound

Sound like a guitar, cold gettin' downI tried to bust a high note  
But I bust a string  
My God was worried

'Til he heard me singMy name is Prince and I am funky  
My name is Prince, the one and only  
Hurt meDo that, do that, somebody  
Do that, do that, somebody  
Do that, do that, somebody  
Do that, do that, somebody  
Do that, do that, somebody  
Do that, do that, somebody

Do that, do that, somebodyMy name is Prince and I am funky  
When it come to funk I am a junky  
I know from righteous, I know from sin

I got two sides and they're both friendsDon't try to clock 'em, they're much too fast  
If you try to stop 'em they kick that ass  
Without a pistol, without a gun

When you hear my music you'll be havin' funThat's when I gottcha  
That's when you mine  
To tell the truth

Tell me what's my line?My name is Prince and I am funky  
My name is Prince, the one and only  
Hurt meDo that, do that, somebody  
Do that, do that, somebody  
Do that, do that, somebody

Do that, do that, somebodyMy name is Prince, I don't wanna be king  
'Cause I've seen the top and it's just a dream  
Big cars and women and fancy clothes

Will save your face but it won't save your soulI'm here to tell you that there's a better way

Would our Lord be happy if He came today?  
I ain't sayin' I'm better, no better than you  
But if you want to play with me, you better learn the rulesMy name is Prince and I am funky  
My name is Prince, the one and only  
I did not come to funk around  
'Til I get your daughter I won't leave this townI won't leave this town  
I won't leave this town  
I won't leave this, leave this, leave thisMy name is Prince and I am funky  
My name is Prince, the one and only  
Funky fresh for the 90'sDo that, do that, somebody  
Do that, do that, somebody  
Do that, do that, somebody  
Do that, do that, someThe funkier I be, the funkier I get, oh shit  
Lickety split on the lyric, a new jack in the pulpit  
Watch it deacon, your track is leakin'  
What is this you're seekin'?  
The syncopated rhymes are at their peakWhen you jumped on my D I C K  
That's the one thing that I don't play  
The jock strap was too big for you anyway  
You're just a simpleton, I'll bust you like a pimple, son  
My star is too bright  
Boy, I'll sink you like the ship, Poseidon AdventureYou're bumpin' dentures to be cocksure  
There must be more coming from your mouth than manure  
So with a flow and a spray, I say  
"Hey, you must become a prince before you're king anyway"Do that, do that somebody  
Do that, do that somebodyIt's time to get ig-ig-ignorant  
Def be the beat that I'm rockin'  
Yo so, come get a hit  
And put your thinking cap on, you've been forewarned  
I call upon the inner forces that I've got brewin' in my cauldronThat means my nugget, sometimes I'm rugged  
The style I posses be havin', the other brothers buggin'  
And this is for those who oppose  
To propose to overexpose disclose  
Pose a threat to my brotherLike any other man makin' a stand  
I'll be damned if I let you play this hand  
I'm the blackjack dealer and the cards are stacked  
What do you expect to win when you're used to playing craps?Do that, do that somebody  
Do that, do that somebodyIt's gettin' tricky, I mean it's a sticky situation  
To resurrect a groove with feeling and give it this much affection  
Passion flows and who knows what lurks in the gallows of my mind  
I put my foot in the ass of Jim Crow12 inches of non-stop sole  
I'm on a roll with P, it's time for the show  
So do that, do that somebody  
Wave your hands in the air  
This is a motherfucking partyWhile you're laying back I'm on the attack paddywhack

Give yourself a bone  
This is my house and I'm prone  
To layin' some chrome upside some motherfuckers dome  
And I'm outMy name is Prince and I am funky  
My name is Prince, the one and onlyMy name is Prince  
My name is Prince  
My name is Prince  
My name is PrinceMy name is Prince  
My name is Prince  
My name is Prince  
My name is PrinceMy name is Prince  
My name is Prince
