No Other Name

Peter, Paul & Mary

Know me by the light of a fire shinin' bright
Know me by your bed where I've lain
Know me and you might, if just for a night
You'll know me by no other nameSome girls will bring you silver
Some will bring you fine Spanish lace
Some will say, "I love you"
And some will have my faceSome will bring you gold, babies to hold
I'll bring you only pain
You can know me if you will, by the wind on the hill
You'll know me by no other nameSome girls will die for money
Some will die as they're born
And some will swear they'd die for love
Some die every morn
