

Freaks

Burning Image

2, 3, 4.....

I sit here, I'm watching and wondering
How things could have gotten this way
I'm actually seeing the end of the world
The freaks in control, now have taken a hold
Of the things I remember the most
What did you do to my world?
How did you fuck up my world, again!
This is my world
Why do you keep saying it's yours?
Yeah yeah yeah yeah
Nothing is real, but the freaks make you feel
Like it's all going to end any day
I can't believe in your word
I can't believe in your word
