Loser

Flashback Heart Attack

hang a finger at convention
Anytime Iâ€™ll knock that chip right off your shoulder
Down on the ground and Iâ€™m doing fine

Down with the losers
Are you down with the losers?
You know Im down with the losers too

Câ€™mon câ€™mon Iâ€™m a loser and I just like you
Câ€™mon câ€™mon Iâ€™m a loser and I just like you
A loser and I see things through
