Addicted to Drugs

Kaiser Chiefs

Getting married in the morning
It's hardly peaches and cream
We haven't got a lot in common
Except the daily routineNothing on the television
Just the dust on the screen
So come on let's get together
Why don't we join a team?You might as well face it you're addicted to drugs
You might as well face it you're addicted
You might as well face it you're addicted to drugs
You might as well face it you're addictedThe greatest poet of the 6th form
Turned out to be a fraud
Man, you've got a lot of buddies
How do you remember them all?You might as well face it you're addicted to drugs
You might as well face it you're addicted
You might as well face it you're addicted to drugs
You might as well face it you're addictedYou might as well face it you're addicted to drugs
You might as well face it you're addicted
You might as well face it you're addicted to drugs
You might as well face it you're addicted
