Mockingbird

Barclay James Harvest

Rain, sea, surf, sand, clouds and sky
Hush, now baby don't you cry

There's a mocking bird
Singing songs in the trees
There's a mocking bird
Singing songs
Just for you and me.

Rain, sea, surf, sand clouds and sky
Time will see your tears run dry

There's a mocking bird
Singing songs in the trees
There's a mocking bird
Singing songs
Just for you and me.

There's a mocking bird
Singing songs in the trees
There's a mocking bird
Singing songs
Just for you and me.

Rain, sea, surf, sand clouds and sun
Bless the tears of love now gone

There's a mocking bird
