

# Mockingbird

Barclay James Harvest

Rain, sea, surf, sand, clouds and sky  
Hush, now baby don't you cry

There's a mocking bird  
Singing songs in the trees  
There's a mocking bird  
Singing songs  
Just for you and me.

Rain, sea, surf, sand clouds and sky  
Time will see your tears run dry

There's a mocking bird  
Singing songs in the trees  
There's a mocking bird  
Singing songs  
Just for you and me.

There's a mocking bird  
Singing songs in the trees  
There's a mocking bird  
Singing songs  
Just for you and me.

Rain, sea, surf, sand clouds and sun  
Bless the tears of love now gone

There's a mocking bird
