

Apologies, Excuses, & the Redemption of Promise

Vonrenzo

Thank you so much
It means more than you'll ever know
You make me proud of whom I've become
Humble as tears, willing to fall...
Redemption...
Won't you tell me what I can do for you?
I used to believe in attention
To hide my wounds and come cover my sin
Now I've found all is love and baby that's within
And being without is just your emptiness, for...
Redemption...
Won't you tell me what I can do for you?
Nobody knows what they want
Only what they do not have,
Oh and I, well I've tried to provide,
Some kinda explanation, come on baby
And our apologies are excusing nothing at all...
Redemption...
Won't you tell me what I can do for you?
Love heals what love can do.
