# Never Say Goodbye

## James Otto

Your bags are packed and your cab's out back
Guess it's too late to change your mind
But before you leave, do one thing for me
Just turn around and look me in the eyesAnd say, you'll love me but you need a little time
Make me believe that you're still mine
Tell me anything even if it's just a lie
But never, never, never say goodbyeBaby, please, I'm on my knees
I'm begging you not to close that door
'Cause I can't live without you
'Cause everything about you makes my life worth living forSo say, you'll love me but you need a little time
Make me believe that you're still mine
Tell me anything even if it's just a lie
But never, never, never say goodbye, yeahOoh, so say you'll love me but you need a little time, just a little time
Make me believe that you're still mine
Tell me anything even if it's just a lie
But never, never, never, never, never say goodbye, yeah
