Luscious Life

Patrick Watson

Sweet oh luscious life
Celebrate your dreams when you are away
Doesnt it taste so sweet?
Like it's growing on oh growing on the trees
Growing on the treesWhen you pick me up off the ground
Ill slowly turn you from a frown
Sweet oh luscious lifeMy sweet oh luscious life
You taste so sweet
When you are so free
My sweet oh luscious life you taste so sweet to meHold time no need for the moment of the day
I celebrate I need I need you todayWas wondering of the day
To celebrate
To let it be
To feel so free
When you and me
In a sweet luscious life
For a minute of day
You taste so sweet
