Younger generation

The Adicts

Start to moan when there's nothing to do
Scream and bawl when there's nothing to do at all
Wanna go out but there's nowhere to go
Live our lives before we get too old, you knowWe're just the younger generation
We want to have a good time
We're just the younger generation
And it's on our mindThink they're pretty think they're nice
Think they're living in Paradise, it's not true-
