

Happy the Man

Genesis

Happy the man
He leads a simple life
It doesn't have much
It doesn't worry him Where you go, where?
Yeah, yeah, yeah, yeah, yeah, nowhere Like a nun with a gun
I'm wonderful fun
Laughing all through
Just watching you Seems a very stupid game
But I don't care Happy the man
He doesn't buzz around
Nothing he wants
More than anything Where you go, where?
Yeah, yeah, yeah, yeah, yeah, nowhere Like a fool in a pool
I'm incredibly cool
With a grin on my chin
I'm certain to win Someone says he's Jesus Christ
But I don't care He is a good man, he is a good man
He is a good man, he is a good man
He is a good man, he is a good man Happy the man
He doesn't buzz around
Nothing he wants
More than anything Where you go, where?
Yeah, yeah, yeah, yeah, yeah, nowhere
Yeah, yeah, yeah, yeah, yeah, nowhere
