Megalodon

Chicagojazzen

Myth or legend
Nymph tales washed ashore
Near the kraken sleepeth
Stirs coral and bone
Infinite city
No sexy sneer
Hideous creation
Human and animal
Banter songs of rudeness
To be adhered
Not on rocks that glisten
Harps to listen
Comb hair
Tear right to pieces
Left to recess
A watery grave
Sensing the blood of prey

Swimming in fear for life
Rolling over
Falling into jaws
Teeths that chatter
It distracts them all
The Fiji mermaid
She will let it know
Time is coming
To feed and know
Rolling over
Falling into jaws
Teeths that chatter
It distracts them all
The Fiji mermaid
She will let it know
Time is coming
To feed and know
