

Brick House

The Commodores

She's a brick house
Mighty might just lettin' it all hang out
She's a brick house
The lady's stacked and that's a fact,
ain't holding nothing back.

She's a brick house
She's the one, the only one,
who's built like a amazon [pronounced am-a-ka-zawn]
We're together everybody knows,
and here's how the story goes.

She knows she got everything
a woman needs to get a man, yeah.
How can she lose with what she use
36-24-36, what a winning hand!

The clothes she wears, the sexy ways,
make an old man wish for younger days
She knows she's built and knows how to please
Sure enough to knock a man to his knees

Shake it down, shake it down now
