

The Beauty Of The Rain

Dar Williams

And you know the light is fading all too soon
You're just two umbrellas one late afternoon
You don't know the next thing you will say

 This is your favorite kind of day

 It has no walls, the beauty of the rain

Is how it falls, how it falls, how it fallsAnd there's nothing wrong, but there is something more

 And sometimes you wonder, what you love her for

 She says, you've known her deepest fears

 'Cause she's shown you a box of stained glass tears

 It can't be all, the truth about the rain

Is how it falls, how it falls, how it fallsBut when she gave you more to find

 You let her think, she'd lost her mind

 And that's all on you

 Feeling helpless if she asked for help

Or scared you'd have to change yourselfAnd you can't deny this room will keep you warm

 You can look out of your window at the storm

 But you watch the phone and hope it rings

 You'll take her any way she sings

 Or how she calls, the beauty of the rain

 Is how it falls, how it falls, how it falls

 How it falls, how it falls, how it falls
