

# I Miss You When You're Gone

Ian David

Verse 1  
Don't turn on the radio  
Lock the doors and then you'll go away  
Burn the bridge and don't look back

Think about the things we had back then  
Chorus  
I miss you when you're gone

I miss you when you're gone  
I know it's been so long

I miss you when you're gone  
Verse 2  
The trees the woods they make their sounds

The wind she knows you're not around  
They told me stories of what they've seen

You're creeping you're creeping you're creeping slowly  
Bridge  
Oh I know you had to go

Leave this haunted house we built  
On the hill where we'll be buried  
Give it a week will be a cemetery  
I will stay and watch it burn  
Turn around here those six words
