

# I Come Alive (Revolvr and Danny Mahai Remix)

## The Used

Breathing in now  
I try counting my blessings  
Picturing the last time I said  
Beg forgiveness  
With some words that mean nothing  
Illusions like smoke in my breath I come alive  
When I'm falling down  
I let myself go  
'Til I hit the ground  
When I'm there, at the edge  
In this moment I feel it I know  
Come alive when I'm falling down Air is thin now  
While my lungs are collapsing  
Vertigo blankets my head  
Far from reckless  
When I'm comfortable, thought  
That I know I could never forget  
(That I know I could never forget) I come alive  
When I'm falling down  
I let myself go  
'Til I hit the ground  
When I'm there, at the edge  
In this moment I feel it I know  
Come alive when I'm falling down  
(Yeah!) Keep your distance  
Far away from me  
Watch this eat me alive  
Keep your distance  
Far away from me  
Watch this eat me alive I come alive  
When I'm falling down  
I let myself go  
'Til I hit the ground  
When I'm there, at the edge  
In this moment I feel it I know  
Come alive when I'm falling down I come alive!  
I come alive!  
I come alive!  
I come alive!

(Yeah! Yeah! Yeah!)  
(I come alive, I come alive)
