

Acts of Rage (Live 2012)

Dew-Scented

Go!

You're hurt and bleeding, compelled
social wars have victimized you
and as your walls are closing in
upstart the vicious cycle,
the acts of rage will unfold...
Deceit in self-destruction
the anger bursting out
symbols of dismay, killing tendencies
fuel retaliation, prepare to let the dark side in...Acts of rage!
outlet for your suffering
ACTS OF RAGE!
it's kill or be killedConsolidation
ZERO TOLERANCE
caught in the maze
defensive deeds of self-offenseRAGE!
