

Believe In Humanity

Carole King

If you read the papers you may see
History in the making
You'll read what they say life is all about
They say it's there for the taking
Yeah, but you should rally check it out
If you want to know what's shaking
But don't tell me about the things you've heard
Maybe I'm wrong, but I want to believe in humanity I know it's often true - sad to say
We have been unkind to one another
Tell me how many times has the golden rule
Been applied by man to his brother
I believe if I realll looked at what's going on
I would lose faith I never could recover
So don't tell me about the things you've heard
Maybe I'm wrong, but I want to believe in humanity.
