

Got You Steady

Maoli

Maoli - Got you steady

ooh yeah

VERSE 1

You say you gotta have authority huh
sometimes i wonder what you think of me uh
one day you're good one day you're out of it
and it goes on and on and on yeah
i aint got time for this in my life
some days i feel like all i wanna do is cry
if this aint gonna get better baby
then i drop it, don't want it, forget it, don't need it my baby

CHORUS

Coz shes the kind if you think you're ready
She'll blow it up like new years confetti
she drop it down like a sexy lady
then bring it up like she got no mercy
so go ahead if you think you're crazy
and think twice if you're feeling lazy
Don't ever do if you're thinking maybe
she got you, she got you, steady

VERSE 2

I know you think that you can run my world huh
Walking around like theirs no other girls nah
i gotta give it to you, you really blow my mind
you are the satisfaction, you know you're one of a kind

CHORUS

BRIDGE

Well shes a fine dine
Professor Myne Hyne

She gets you ready and then hits you with the punch line.
She not a nice girl, but she can love well
She put your body in a coma, make your love hell
She really impress, and really gets stressed
She rub you up and on your body just to make mess

don't ever think less, just let me insist
you take another round and never show interest
 coz you never know if you're ready
 this kind of girl really make you crazy
 you find yourself with a freaky lady
 you never know till she, rocks ya steady
 coz im really tryna let you go
 gotta move gotta hit the road
 girl i really want to let ya know
 its really hard tryna let you go

CHORUS x2
