

# That's Why You're Beautiful

## Beyonce Knowles

Diamonds used to be coal  
Look young 'cause they got soul  
That's why they're beautiful  
And my heart used to be cold  
Till your hands laid on my soul  
Baby, that's why you're beautiful  
I'm not wondering why the sky's blue  
That's not my business  
All I know is I look up and tell myself  
Be patient, love that could be us  
Lovers used to make love  
And die just to give us  
Their piece of the beautiful  
Remember when we made love?  
Love, wasn't it beautiful?  
Don't ask me why the sky's blue  
That's not my business  
All I know is I look up and tell myself  
Be patient, love that could be us  
Diamonds used to be coal  
Look young cause they got soul  
That's why they're beautiful  
And my heart used to be cold  
Till your hands laid on my soul  
Baby, that's why you're beautiful  
Somebody's got to stay deep in love  
That could be us, that's why we're beautiful  
That's why you're beautiful  
Ooh, why? Why?  
That's why you're beautiful  
That's why you're beautiful  
That's why you're beautiful
