

Hanging By A Moment (Nissan Live Sets On Yahoo!)

Lifehouse

I'm desperate for changing
Starving for truth
I'm Closer to where I Started
Chasing after you I'm falling even more in love with you
Letting go of all I've held onto
I'm standing here until you make me move
I'm hanging by a moment here with you Forgetting all I'm lacking
Completely incomplete
I'll take your invitation
You take all of me Now I'm falling even more in love with you
Letting go of all I've held onto
I'm standing here until you make me move
I'm hanging by a moment here with you I'm livin' for the only thing I know
I'm running here and I'm not quite sure
Where to go?
And down I know I'd like to be in tune
Just hanging by a moment here with you There's nothing else to lose
There's nothing left to fly
There is nothing in the world that can change my mind
There is nothing else
There is nothing else
There is nothing else I'm desperate for changing
Starving for truth
I'm closer where I Started
I'm Chasing after you I'm falling even more in love with you
Letting go of all I've held onto
I'm standing here until you make me move
I'm hanging by a moment here with you I'm livin' for the only thing I know
I'm running here and I'm not quite sure
Where to go?
And down I know I'd like to be in tune
Just hanging by a moment here with you Just hanging by a moment
Hanging by a moment
Hanging by a moment
Hanging by a moment here with you
