## EL OMY

Lucky you were born that far away so  
So we could both make fun of distance

Lucky that I love a foreign land for  
The lucky fact of your existence  
Baby I would climb the Andes solely  
To count the freckles on your body  
Never could imagine there were only  
Ten million ways to love somebody

Lo ro lo le lo le

Lo ro lo le lo le

Can't you see?

I'm at your feet

Whenever, wherever

We'll learn to be together

I'll be there and you'll be near

And that's the deal my dear

They're over you're under

You'll never have to wonder

We can always play by ear

But that's the deal my dear

Lucky that my lips not only mumble

They spill kisses like a fountain

Lucky that my breasts are small and humble

So you don't confuse them with mountains

Lucky I have strong legs like my mother

To run for cover when I need it

And these two eyes are for no other

The day you leave we'll cry a river

Lo ro lo le lo le

Lo ro lo le lo le

At your feet

I'm at your feet

Whenever, wherever

We're meant to be together

I'll be there and you'll be near

And that's the deal my dear

They're over you're under

You'll never have to wonder

We can always play by ear  
But that's the deal my dear  
Lo ro lo le lo le, lo ro lo le lo le  
    Think out loud say it again  
        Lo ro lo le lo le lo le  
        Tell me one more time  
That you'll live lost in my eyes  
    Whenever, wherever  
    We'll learn to be together  
I'll be there and you'll be near  
    And that's the deal my dear  
    They're over you're under  
You've got me head over heels  
    There's nothing left to fear  
If you really feel the way I feel  
    Whenever, wherever  
    We're meant to be together  
I'll be there and you'll be near  
    And that's the deal my dear  
    They're over you're under  
You've got me head over heels  
    There's nothing left to fear  
If you really feel the way I feel
