# I THINK I LOVE YOU

## Ost. Full House

I'm sleepin' an' right in the middle of a good dream
Like all at once I wake up
From somethin' that keeps knockin' at my brain
Before I go insane
I hold my pillow to my head
An' spring up in my bed
Screamin' out the words I dread
I think I love you
(I think I love you)
This mornin', I woke up with this feelin'
I didn't know how to deal with
An' so I just decided to myself
I'd hide it to myself
An' never talk about it
An' didn't I go and shout it
When you walked into my room
I think I love you
(I think I love you)
I think I love you
So what am I so afraid of?
I'm afraid that I'm not sure of
A love there is no cure for
I think I love you
Isn't that what life is made of?
Though it worries me to say
That I never felt this way
I don't know what I'm up against?
I don't know what it's all about?

I got so much to think about
Hey, I think I love you
So what am I so afraid of?
I'm afraid that I'm not sure of
A love there is no cure for
I think I love you
Isn't that what life is made of?
Though it worries me to say
That I never felt this way
Believe me

You really didn't have to worry
I only wanna make ya happy
An' if you say, "Hey, go away"
I will
But I think better
Still, I'd better stay around an' love you
Do you think I have a chance?
Let me ask you to your face
Do you think you love me?
I think I love you
(Do you think you love me?)
I think I love you
(Do you think you love me?)
I think I love you
(Do you think you love me?)
I think I love you
