

# In Trance

## Scorpions

I wake up in the morning  
And the sun begins to shine  
The day did sneak up on the night I see your face, see myself  
And I get a little taste of life  
I try to stand it for a while But I'm in a trance  
Hey baby, tell me can't you hear me calling?  
I'm in a trance  
I take too much in the Saturday night Hey, hey  
Hey baby, tell me can't you hear me calling?  
I'm in a trance  
I wanna try to stop this life I feel so sad, I'm feeling down  
On the radio the music plays  
I'm in love with her and I feel fine, yeah I close my eyes, I think today  
It's getting better with a sip of wine  
And I can stand it for a while But I'm in a trance  
Hey baby, tell me can't you hear me calling?  
I'm in a trance  
I take too much in the Saturday night Hey, hey  
Hey baby, tell me can't you hear me calling?  
I'm in a trance  
I wanna try to stop this life
