

Funkier Than A Mosquito's Tweeter

Joe Bonamassa

You're nothin' but a dirty dirty old man
You do your thinkin' with a one track mind
Keep talkin' 'bout heavens glory
On your face is a different story
Clean up your rap your story's gettin' dirty
Wash out your mouth
Your lies are gettin' rusty
Can't believe nothin' you say
I'm around and i see what you do
You know you're funkier than a mosquito's tweeter
You got a mouth like a herd of boll weevils
Same ol' game , same ol' thing
You never changed
Always rappin' 'bout the same ol' thing yeah!
Blowin' minds is a thing of the past
You blew your chance that's why it never last
You wanna be a graduated mother
But in reality you're just another brother
You think you're slick
You can't stand a lot of greasin'
Things you do ain't never really pleasin'

Can't believe nothin' you say
I'm a around and i see what you do
You know you're funkier than a mosquito's tweeter
You got a mouth like a herd of boll weevils
Same ol' game , same ol' thing
Always rappin' always rappin'
'Bout the same ol' thing yeah!
You put yourself upon a big stool
There's nothin' worse than an educated fool
Talkin' sex is your favourite conversation
Peace and love is a famous generation
What's in your head has really really started
showing your conversations all gettin' boring
Can't believe nothin' you say
I'm around and i see whay you do
You know you're a funkier than a mosquito's tweeter
You got a mouth like a herd of boll weevils

Same ol' game , same ol' game
Same ol' thing , same ol' thing
Alway's rappin' , alway's rappin'
'Bout the same ol' thing yeah!
